HO/EDP/ /2023-2024

To,

Dear Sir,

The Business Co-operative Bank Ltd is a co-operative bank headquartered at Nasik Road. The Bank provides range of banking services including various Digital Channels like ATM, POS, ECOM, BBPS, Mobile Banking – IMPS, UPI etc and is a leading co-operative bank in Nasik district and SME is the main focus area, though bank services customers from all segments.

Bank is **opening a new branch at Ashoka Marg**. Bank now invites proposal from you for supply, installation, commissioning, and maintenance of Computer Hardware, Network switch, firewall, Ups and Batteries, CCTV camera system, Security alarm system, Note counting machine, required for the bank environment, as per the details listed below:

1. Required Details of Material is given in the attached Annexure A.
Minimum configurations required are given. Proposed supplies should be this or better.
2. Vendor/manufacturer should preferably have support center at Nasik
3. The scope is that of complete turn key provisioning, which includes supply, installation, hardening, addressing security requirements, commissioning, maintenance, facility management and system administration of all supplied software.
4. All proposed should be with 3 year warranty **with respective to hardware** and next 2 year AMC rate.
5. Facility management and complete system administration of the supplies as required in the Bank's environment will be initially for six months and may be extended for further periods.
6. Adequately skilled manpower is to be deployed at the Bank and vendor should have and will provide high level expertise support from their back office or on-site on need basis.
7. Timely delivery is critical requirement.
8. Please e-mail your Technical proposal to edp@businessbanknashik.com. Proposal should include at the minimum:
 - a. Company Profile
 - b. Summary of Financial Statement
 - c. Solution Profile
 - d. Client list of the Banks
 - e. Your requirements (Technical, Operational) from Bank Side
 - f. Detailed project Implementation Plan, Strategy, Policies, Timeline etc.
 - g. Features & Services
 - h. Detailed technical proposal
 - i. Data sheets of all supplies proposed
 - j. Summary sheet for the total cost of the proposal
 - k. Other terms and conditions.
9. Please send a detailed **commercial proposal** with the base cost and components/option with cost breakup on Email – edp@businessbanknashik.com with password protected file. **Please inform us the PDF file password on 28.7.2023.**
